

THE NATIONAL YOUTH FOR CHRIST WAY OF THE CROSS CHURCH OF CHRIST, INT'L

June 1, 2011

Dear Pastors, Youth Leaders, and Local Presidents:

Praise the Lord! We are preparing to publish our national newsletter *THE MESSENGER* for the convention in Hampton, VA. This letter is being sent to solicit your support in publishing a successful convention issue. The deadline to submit information for the newsletter is **Sunday, July 3, 2011**.

Generally, we are seeking information, in brief, that has occurred between meetings that promotes the positive news among youth in your congregation. The information needed is as follows: youth marriages; births; graduations; school accomplishments; significant professional accomplishments, awards, and honors; upcoming national or local church events; poetry; testimonials; and such information that would be appropriate to share with the national body. Please make sure your pastor, youth minister, or local president has approved the information you are submitting. Please **DO NOT** send submissions as a PDF. Please send any photos as a separate JPEG or TIFF file (**DO NOT** include photos as part of your typed document). Information should be legible, in the appropriate format, and received in a timely manner. We are also soliciting businesses, entrepreneurs, and churches to purchase space for ads. Please make sure when submitting your information to use my new email address keeviehairston@cox.net or wotcmessenger@cox.net. You may also submit your information to the Second Vice President, Eld. Eric Cannady.

Once again, the deadline is **Sunday, July 3, 2011**. Thank you for your support of this national publication. We look forward to the fellowship of the saints of God in Hampton, VA, as we move forward in God unto perfection! God bless you and safe travels.
